What We Do With Your Answers

We consider the information you give us together with the information in your claim record to decide if we need to do a full medical review. After we receive the completed report, we will notify you whether or not we need to do a full medical review.

If You Need Help To Answer The Report

It is important that information you give us is accurate. We have tried to make report questions easy to understand and answer. But, if you find that you do not understand a question or questions, please contact us, your authorized representative, a social service agency, your doctor or clinic, or some other person you trust.

If You Need To Contact Us

If you need to contact us, please call us toll-free at **1-800-772-1213** or TTY for the hearing impaired at **1-800-325-0778**. We can answer most questions over the telephone. If you prefer to visit or call one of our offices, please use the 800 number to get the local office address and telephone number. Please have the Disability Update Report with you if you call or visit an office. It will help us answer your questions. Also, if you plan to visit an office, you should call ahead to make an appointment. This will help us serve you.

We May Need To Contact You

Sometimes, we may need more information from you. If so, we will try to call you. If you do not have a telephone, please give us a number where we can leave a message for you. Please print the telephone number in the section provided on the back of the report form.

If We Don't Hear From You

If you do not complete and return the report promptly, or tell us why you cannot respond, we may stop sending payments to you. If it is necessary to stop your payments, we will send you another letter telling you what we plan to do.

**QUESTION 3 -
Can You Work?**

If We Do A Full Medical Review

If we decide to do a full medical review of your case, you can give us any information which you believe shows that you are still disabled, such as medical reports and letters from your doctors about your health. Then, we look at all your information in your case, including the new information you give us, and decide whether you continue to be disabled under our rules.

Appeals And Continued Benefits

When we review your case, we may find that you are no longer disabled under our rules, and your payments may stop. If your payments stop, you can appeal our decision or you can ask us to continue to make payments while you appeal.

If You Want To Work

Do you want to work, but worry about losing your payments or Medicare before you can support yourself? We want to help you go to work when you are ready. But, work and earnings **may** affect your benefits. Your local Social Security office can tell you more about work incentives, and how work and earnings can affect your benefits.

The Privacy And Paperwork Reduction Acts

Privacy Act Statement Collection and Use of Personal Information – Sections 205(a), 221(i), 223(d), 1614(a)(4), 1631(e)(1), and 1633(a) and (c) of the Social Security Act, as amended, allow us to collect this information. Furnishing us this information is voluntary. However, failing to provide all or part of the information may prevent us from making an accurate and timely decision on any claim filed.

We will use the information to make a determination of continued eligibility for benefits. We may also share your information for the following purposes, called routine uses:

1. To private medical and vocational consultants for use in making preparation for, or evaluating the results of, consultative medical examinations or vocational assessments which they were engaged to perform by the Social Security Administration (SSA) or a State agency acting in accord with sections 221 or 1633 of the Act; and
2. To contractors and other Federal agencies, as necessary, for the purpose of assisting SSA in the efficient administration of its programs. We contemplate disclosing information under this routine use only in situations in which SSA may enter a contractual agreement with a third party to assist in accomplishing an agency function relating to this system of records.

In addition, we may share this information in accordance with the Privacy Act and other Federal laws. For example, where authorized, we may use and disclose this information in computer matching programs, in which our records are compared with other records to establish or verify a person's eligibility for Federal benefit programs and for repayment of incorrect or delinquent debts under these programs.

A list of additional routine uses is available in our Privacy Act System of Records Notice (SORN) 60-0089, entitled Claims Folders Systems. Additional information and a full listing of all our SORNs are available on our website at www.socialsecurity.gov/foia/bluebook.

Paperwork Reduction Act Statement – This information collection meets the requirements of 44 U.S.C. § 3507, as amended by section 2 of the Paperwork Reduction Act of 1995. You do not need to answer these questions unless we display a valid Office of Management and Budget (OMB) control number. The OMB control number for this collection is 0960-0511. We estimate that it will take 15 minutes to read the instructions, gather the facts, and answer the questions. **Send only comments relating to our time estimate above to: SSA, 6401 Security Blvd, Baltimore, MD 21235-6401.**
